## Wild Bird Mix

### What makes Lyric Supreme Wild Bird Mix different from other brands?

Beginning bird feeders often select their seed mixes based solely on price. Only with experience do they realize that better, more attractive seeds are worth their higher cost.

### Lyric Supreme Wild Bird Mix is simply the “creme de la creme” of wild bird food mixes.

Ingredients such as pecans, pistachios, peanuts, sunflower, safflower, Nyjer<sup>®</sup>, canary seed and millet makes this ultimate gourmet wild bird mix.

Lyric Supreme includes the favorite food of every seed-eating backyard bird, so you're guaranteed to satisfy all your backyard visitors. Furthermore, all Lyric mixes are clean - Lyric products contain minimal dust and no twigs, dirt or other organic debris. And no Lyric product contains any filler seeds such as red milo, wheat or oats.

### Lyric Supreme Wild Bird Mix will attract and feed these colorful songbirds:

Cardinals

Chickadees

Doves
