# WOODPECKER

## No Waste Mix

### The key to feeding birds is understanding who eats what.

Most seed-eating birds have individual preferences that can be used to attract specific birds to particular foods and feeders. This is the basis for the Lyric family of bird specific mixtures that includes Lyric Cardinal, Lyric Chickadee, and Lyric Finch wild bird mixes. Offering a variety of mixtures and adding more feeding stations can reduce competition and increase the number of seed-eating species that visit your backyard.

### Why a special mix for woodpeckers?

Woodpeckers rank high on most people's list of favorite birds. They are entertaining to watch, fascinating to hear and handsomely marked. With their stiff tails and unique toe arrangement (two forward, two back), woodpeckers are true acrobats. Visiting pairs often stay in contact with distinctive calls. Most males sport a flashy splash of red. It is no wonder that people find woodpeckers immensely appealing.

Lyric Woodpecker is a premium, specially formulated, no waste mix. The various nuts, dried fruits and corn make this a favorite food for woodpeckers and many other wild birds. These are a few of the birds that you may attract with Lyric Woodpecker:

Acorn Woodpeckers

Blue Jays

Chickadees

Downey Woodpeckers

Hairy Woodpeckers

And more!

Northern Flickers

Nuthatches

Red-Bellied Woodpeckers

Stellar's Jay

Titmice

### Is there a "best" feeder for Lyric Woodpecker?

If you want to exclusively attract woodpeckers and other clinging birds like nuthatches, use a woodpecker or peanut feeder. These feeders are usually steel mesh tube feeders. These feeders often do not have perches. Woodpeckers will cling to the mesh and peck away at the various foods until they can eat them or pull them through the mesh to eat. To draw a wider variety of wild birds you can also use hopper or tray feeder that protects the seeds and nuts from the elements.

**Ingredients:** Shelled Peanuts, Corn, Sunflower Kernels, Pecans, Pistachios, Shelled Pumpkin Seed, Dried Cranberries, Raisins.

### Guaranteed Analysis:

Crude Protein (min.):	18.0%
Crude Fat (min.):	35.0%
Crude Fiber (max.):	6.0%
Moisture (max.):	12.0%

Packaged to keep it fresh!  
**STAYFRESH TECHNOLOGY INSIDE**  
 This bag contains an oxygen scavenger packet to help keep the food fresh. Please discard the packet, its contents are not edible.

- CAUTION TO INDIVIDUALS WITH NUT ALLERGIES, THIS MIXTURE CONTAINS PEANUTS AND TREE NUTS
- Not for human consumption
- Not recommended for domestic (caged) birds
- Store in a sealed bag or container in a cool, dry place
