

# Spring Checklist

## Spring Clean Your Feeders:

- Deep clean to remove any winter residue
- Repair and replace any damaged parts
- Add a variety of feeders to accommodate different types of food and birds

## Nutrition:

- Provide vitamins like A, E, & D which are essential for birds' reproductive health found in Lyric's Fruit & Nut wild bird seed
- Offer natural ingredients with no fillers such as Lyric bird food
- Keep clean water available for bathing and drinking

## Miscellaneous:

- Plant flowers and trees that attract birds
- Provide nesting materials, such as hair, dried moss, and twigs
- Clean, repair, or replace any birdhouses
